Ambemohor Rice Lager

"Clean, crisp, dry, sessionable, refreshing & thirst quenching all day drinking lager with low % ABV & low calorie too.

Expect a subtle hint of rice & malt sweetness which carries till the aftertaste leaving a pleasant interplay giving a perception of wanting more.

Beer with very high drinkability quotient!"

German Munich Helles

"This lager pours crystal clear & pale golden in colour. It has Upfront bready, biscuity & sweet notes coming from the malts both in aroma & flavour coupled with subtle ultra low hop bitterness. Crispness, refreshingness & drinkability are the hallmarks of this lager. Balewadi high street deserves a premium high quality lager & here it is - the pale golden beauty in a glass..."

Dunkelweizen - German Witbier

"The German-style Dunkelweizen can be considered a mid point between a German-style dunkel and a hefeweizen. It has a sweet maltiness and chocolate-like character. To try this one out, visit 24K Kraft Brewzz with friends and family!!"
